You Carry

A whole medicine chest in your pocket, with one box of Ayer's Pills. As they operate directly on the stomach and bowels, they indirectly affect every other organ of the body. When the stomach is out of order, the head is affected, digestion fails, the blood becomes impoverished, and you fall an easy victim to any prevalent disease. Miss M. E. Boyle, of Wilkesbarre, Pa., puts the whole truth in a nutshell, when she says : "I use no other medicine than Ayer's Pills. They are all that any one needs, and just splendid to save money in doctors' bills." Here is an instance of

A Physician

who lost his medicine chest, but, having at hand a bottle of Ayer's Pills, found self fully equipped .- J. Arrison, M. D., of San José, Cal., writes:

"Some three years ago, by the merest accident, I was forced, so to speak, to prescribe Ayer's Cathartic Pills for several sick men among a party of engineers in the Sierra Nevada mountains. my medicine chest having been lost in crossing a mountain terrent. I was surprised and delighted at the action of the Pills, so much so, indeed, that I was led to a further trial of them, as well as of your Cherry Pectoral and Sarsaparills. I have nothing but praise to offer in their favor."

John W. Brown, M. D., of Oceana, W. Va., writes: "I prescribe Ayer's Pills in my practice, and find them excellent. I urge their general use in families." T. E. Hastings, M. D., of Baltimore,

Hearts of Great Men. Md., writes: "That Ayer's Pills do con The relic preserved as Shelly's heart is trol and cure the complaints for which now commonly believed to be his liver, and the assertion is made that Napoleon's heart at the Invalides is, in fact, no part they are designed, is as conclusively ren to me as anything possibly can be. of the "Little Corporal's" anatomy. The doctors who made the autopsy of his body were interrupted, so the story goes, by nightfall, and on returning found that his heart was devoured by rats, whereupon a They are the best cathartic and aperient within the reach of the profession." Ayer's Pills, sheep's heart was substituted.

F ABOUT PAPER MONEY.

FRACTIONAL CURRENCY IN DEMAND AT TWENTY TIMES FACE VALUE.

federate Scrip-The Continental Currency—Issues of State Paper in Demand by Collectors.

"If any of the holders of confederate "If any of the holders of confederate money hope that it will eventually reach par, or anything like it, as a curiosity, they will have a long time to wait," said a veteran coin collector. "The Continental currency issued by authority of the congress of the United States sells today—that is a considerable quantity of it does—at less than a cent on the dollar of face value. The £20 bbl issued under face value. The \$30 bill issued under resolution of May 10, 1775, can now be bought for 25 cents. The \$2 bill of the same date is also worth 25 cents. In other words, the face value of the bill has no relation whatever to its value as a

riosity.
"Probably the nearest that any Continental currency known to be for sale at all comes to par is in the case of the \$4 and \$5 bills printed under resolution of congress at Yorktown April 11, 1778. The \$4 bill with a boar and spear brings \$3 if in fine condition, and the \$5 bill with a hand and brush also \$3 if in good "Certain very small bills, owing to com-

rative rarity, bring more than some bills of very high denominations 'A great many people have held on very tenaciously to the Continental currency, in the expectation that it would be redeemed at par, and every now and then somebody sends on his collection to Washing demanding payment, only to be met by a rebuff in some form or another. Even now the quantity of Continental money in the market is not unfrequently aug-mented from the hoard of some departed veteran whose father or family may have given full value for it in times long gone by, and who has kept it sooner than part with it for a song as a curiosity. The heirs, however, having a more practical and less sanguine view of the subject, are enerally willing to let the stuff go at colectors' rates, and the garret or trunk that has known it for so many years knows it

STATE ISSUES.

in some cases more than in others, clos

ommonwealth, set affoat in 1780, bring

only fifty cents apiece. A Virginia \$1,000 bill of 1781 is rated at from \$1 to \$1.50,

and a \$2,000 bill of the same year, but a b ter issue, is worth \$1.50 to \$2. Virginia ppears to have gone in more heavily than

other state on bills of large denomi-

"The worth of Confederate money as a

curiosity, like that of Continental cur-

rency, bears no relation to its face value. The possessor of one of the very few Confederate silver half dollars, struck off

about the beginning of the rebellion, rates its value at \$1,000. On the other hand, a Confederate \$500 bill with a picture of stonewall Jackson is worth just twenty-ive cents. A \$100 bill with the head of

Mrs. Jefferson Davis can be bought for fifty cents. There is not a Confederate bill in existence, whatever its face value,

worth more than \$1. None of the state issues of the Confederacy reach \$1 in value, although five and ten cent shin-plasters of Alabama, North Carolina and

South Carolina bring fifteen cents apiece

nost enthusiastic Unionist could hardly have anticipated that within a quarter of

century five cents of United States frac-

tional currency would be worth from fifty cents to \$1, or from ten to twenty times

errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, etc., Iwili send a receipt that will cure you, free of charge. This great remedy was discovered by a missionary in South Amerquarter of a donar—\$2. One of these, which represents a tree forcing a millstone upward by its growth, is interesting and suggestive, the motto also alluding to the growth of the colonies, notwithstanding

the oppression of England. It would be eminently appropriate, just at present, for Ireland. Maryland bills are not so rare.

"A claim for £340 against the commonwealth of Massachusetts, issued under authority of that state in January, 1780, and be purchased for the moderate sum of can be purchased for the moderate sum of \$2. The treasurer of the commonwealth

\$2. The treasurer of the commonwealth would, however, doubtless refuse to honor it if presented. On the other hand a Massachusetts bill for twopence, with a pillars and codfish design, but no beans, is also worth \$2, which illustrates more plainly, perhaps, than any other compari-son, how utterly the matter of face value

son, now utterly the matter of mee value is ignored in Revolutionary currency. "New York money of the revolution brings quite a fair figure, a bill signed by Abrabam Brinckerhoff for half a Spanish Abraham Brinckerhoff for half a Spanish milled dollar, Sept. 2, 1775, being worth \$2. Indeed, with the exception of a few £5 and £10 issues, most New York money, colonial and revolutionary, is worth more than or about its face value. Interesting issues are those of the New York water works, running from 1774 to 1776 inclu-

A book by Nina Van Zandt on the subve. As curiosities these bills are worth, ject of anarchy was put upon the market some time ago. A. R. Parsons has just an-nounced that he has nnished a book on the

The McHenry suit against the Nypando road, brought in 1881, has been dismissed the defendant company paying the costs— \$134.80.

Chronic catarrh usually indicates a scrofulous condition of the system, and should be treated, like chronic ulcers and erup-tions, through the blood. This disease has been cured, in hundreds of cases, by the use of Ayer's Sarsaparilla. Price \$1. Six

The government last year expended \$1,-095,379 for Indian education. Of the 39,821 children of school age, 14,932 were enrolled as pupils.

Acker's Blood Elixir is the only Blood Remedy guaranteed. It is a positive cure for Ulcers, Eruptions or Syphilitic Poisoning. It purifies the whole system, and banishes all Rheumatic whole system, and banishes all Rheumatic and Neuralgic pains. We guarantee it Frank H. Coblentz, corner Market and

The J. L. Reagen Printing company of Chicago, one of the largest concerns in the city, failed yesterday for \$125,000. The ninal assets are \$150,000.

the lawful value. Such, however, is the fact as to the series of 1862, while certain specimens of all the issues are largely in Thousands of people have found in Hood's Sarsaparilla a positive cure for rheumatism. This medicine by its purifying action, neutralizes the acidity of the blood, which is the cause of the disease, and also builds up and strengthens the whole body. Give it a trial.

Martin Varley, an employe of the Mal-leable Iron Works, Dayton, was killed by being caught by a pulley and crushed to death.

the Children. They are especially liable to sudden Colds, Coughs, Croup, Whooping Cough, etc. We guarantee Acker's English Remedy a positive cure. It saves hours of anxious watching. Sold by Frank H. Coblentz, corner Market and

LOCAL NOTICES.

Advice to Mothers. Mrs. Winslow's Soothing Syrup, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for the United States, and has been used for years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhea, griping in the bowels and wind colic. By giving health to the child it rests the mother. Price 25c a bottle.

Delicate Children, Nursing Mothers, overworked Men and for all diseases where the tissues are wasting away from the inability to digest food, or from overwork should take Scott's Emulsion of of Pure Cod Liver Oil with Hypophosphites. "I used the Emulsion on a lady who was delicate. It put her in such good health and firsh, that I must say it is the best Emulsion."—L. P. WADDEL, M. D., Hugh's Mills, S. C.

The breath of a chronic catarrh patient Burglary is not usually classed among is often so offensive that he becomes an ob-ject of disgust. After a time ulceration sets mechanical trades, but it is nevertheless an "industry" in its peculiar way, and yery numerously followed in etics and in, the spongy bones are attacked, and fre-quently entirely destroyed. A constant large towns. Some one—a safe manufac-turer, we believe—has been at the pains source of discomfort is the dripping of the purulent secretions into the throat, some-times producing inveterate bronchitis, which in its turn has been the exciting which burglars employ in the present ad-vanced state of the art. They are said to This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kind, and cannot be sold in competition with the multitude of low test, short weight, alum or phosphate powders. Sold only in cans. Royat Bakiso Powder Co., 10s Wall Street, New York. cause of pulmonary disease. The brilliant results which have attended its use for be: 1. The driving of wedges into door jambs, by which the tenon is forced out of the packed groove and explosives inyears past, properly designate Ely's Cream Balm as by far the best and only cure.

serted around and into the rabbet or stepped flange. 2. The application of the drill on material represented as drill Pawning Her Boy's Clothes for Medicine.
